SSHE is situated in the center of Montreux, a small touristic town in the french-speaking part of Switzerland on the coast of Lake Geneva (Lac Lemman). Montreux is surrounded by mountains, which not only provide an extraordinary view, but also create a unique climate. At SSHE we have focused only on the most demanded specializations in order to ensure the relevance of the knowledge we give to our students for their future success. At SSHE we have small and dynamic classrooms which can be easily modified to suit the task at hand: be it lectures, team assignments or individual assignments.
